LawnGrips™ footwear makes mowing and caring for your lawn easier and more comfortable. The patented Grip-N-Go outsole provides great traction on freshly cut grass and sheds mud and clippings like a champ. For safety, LawnGrips™ shoes are crafted with a protective steel toe and rugged, molded rubber toe that's 100% water-proof. And with an upper made from water resistant, full-grain leather, the only thing turning green will be your neighbor.
